RE: Commitment to the Partners in Protection (PIP) Program

Turf Care Products Canada is committed to maintaining the highest standards of supply chain security, regulatory compliance, and operational integrity. As a trusted distributor and service provider, we recognize the critical importance of safeguarding the international supply chain and supporting initiatives that promote secure and efficient trade practices.

We fully support the objectives and principles of the Partners in Protection (PIP) program and are dedicated to implementing and maintaining policies, procedures, and best practices that align with PIP requirements. This includes promoting security awareness, protecting cargo and facilities, ensuring employee accountability, and working collaboratively with our suppliers, logistics providers, and customs partners to mitigate risk throughout the supply chain.

Turf Care Products values strong partnerships with government agencies and industry stakeholders to enhance border security while facilitating legitimate trade. Through our commitment to continuous improvement and responsible business practices, we strive to contribute to a safer and more secure trading environment.

We remain committed to supporting the ongoing goals of the Partners in Protection program and reinforcing our role as a responsible and reliable participant in international commerce.
