

TURF CARE
Helping your business grow.

Service Technician

Build Your Career with Turf Care Products Canada Limited

At Turf Care Products Canada, we believe our people are the driving force behind our success. For over 50 years, we have been a trusted leader in turf equipment, irrigation products, and service solutions for golf courses, municipalities, and landscaping professionals across Canada.

As a proudly Canadian, privately owned company, Turf Care has been recognized as one of Canada's Best Managed Companies for six consecutive years, achieving Gold Standard recognition. We are committed to creating a workplace where employees feel supported, challenged, and empowered to grow their careers. Learn more about us at www.turfcare.ca.

We are currently looking for a motivated and hands-on **Service Technician** to join our growing Service Team at our **Keswick Location (1 Logistics Ct.)**.

What You'll Do

As a Service Technician, you'll play an important role in keeping customer equipment operating at peak performance. Working alongside an experienced team, your responsibilities will include:

- Performing routine maintenance including oil changes, lubrication, filter replacements, and tire service
- Completing new equipment setup and pre-delivery inspections (PDI)
- Assisting with troubleshooting and repairs on mechanical, hydraulic, and electrical systems
- Supporting the daily operations and organization of the service shop
- Maintaining shop tools and equipment
- Participating in ongoing manufacturer and technical training programs

What You Bring

- Strong mechanical aptitude and hands-on problem-solving skills
- Experience using shop tools and diagnostic equipment
- Ability to work independently and as part of a team
- Strong communication and organizational skills
- Basic proficiency with Microsoft Office programs
- Experience working with small engines, diesel/gas engines, or turf equipment is considered an asset
- Ability to read service manuals and schematics is considered an asset
- Relevant trade certification is considered an asset

Why Join Turf Care?

We offer a competitive compensation and benefits package designed to support both your career and well-being:

- Competitive compensation, including Company performance bonus opportunities

TURF CARE
Helping your business grow.

- 100% employer-paid health and dental benefits
- Health Care Spending Account and Wellness Account
- Group RRSP with employer matching
- \$1,000 starting tool allowance
- Safety equipment provided, including up to \$200 annually for safety footwear
- Ongoing training and development opportunities
- Career advancement within a growing and respected organization

Join Our Team

If you are looking for a stable, year-round opportunity with a company that values teamwork, growth, and employee development, we would love to hear from you.
